YOUNG
PROFESSIONALS
NETWORK

The Young Professional's Network is a committee of the 400 North Association of REALTORS® established to provide networking and educational opportunities to Board Members under the age of forty (40).

YPN has numerous events throughout the year including business growth seminars, socials and charity fundraisers. The purpose of the Young Professional's Network is to provide professional growth, education, business emphasis on board participation specific to the younger members of the board.
